April 13, 2021

To our valued members, volunteers, sponsors, fair patrons, vendors, friends and family of the Comber Fair,

The Comber Agricultural Society has made the difficult but necessary decision to cancel the 162nd "in person" Comber Fair, originally scheduled for August 6, 7 and 8, 2021.

This is not a decision that was entered into lightly, but rather, out of an abundance of caution for all those who participate in our fair. Nothing is more important than the safety of our guests and volunteers. While things could look very different in August and hopefully be turning around, it is too difficult to book, plan and fundraise for a three day event that remains uncertain.

The Comber Fair has been taking place annually since 1859 and has weathered challenging times before and will get through this time as well. Please be assured this is not the end of the Comber Fair.

On a positive note, 2020 made us versatile and resilient. Plans are in the works to provide more virtual opportunities for competition and events. Keep an eye on our Facebook page (@Comberfair) and our website for details in the coming months.

Thank you all for understanding and for your continued support.

We wish you and your loved ones health, wellness and safety during these difficult times.

Sincerely,

Robert J. Hornick
President
Comber Agricultural Society and Fair
